

Dear Community Supporter,

On Monday April 29th 2024 the Kern River Women's Golf Club will be holding the 2nd Annual KRWGC Charity Classic at Kern River Golf Course!! Every year forward we will be helping different needs in our community. This year with your help we will be able to raise a generous amount of money for UNITED WAY OF CENTRAL EASTERN CALIFORNIA!

Early Childhood Literacy programs are built here.

United Way of Central Eastern California understands that the foundation for the ability to read begins at birth or even before. Listening to and interacting with parents/caregivers are the first steps to success. The steps continue through preschool and up to the third grade. This is because it is at this time that children make the important transition from "learning to read" to "reading to learn." Those who are unable to read proficiently by the third or fourth grade are at a much higher risk of failing and ultimately dropping out of school.

Please consider making a gift today in support of the needs of these children

This event is our only fundraiser for the year, so we are looking for Tournament Sponsors and raffle items from our local business community to help make this event a huge success. Below you will find a level of tee sign sponsorships that will be displayed out on the course during the tournament. Thank you so much!
