## SPONSORSHIP OPPORTUNITY

The purpose of the United For Havilah campaign is to provide critical support to individuals and families affected by the devastating Borel Fire. These funds help cover essential needs and rebuilding efforts. By uniting the community in support of those who have lost their homes and livelihoods, the campaign aims to offer immediate relief and long-term assistance, ensuring that victims can recover and rebuild with the necessary resources and care.

As we continue our mission to reach individuals and families, partnering with organizations like yours helps us to reach our goal of making an impact and keeping our community strong. We look forward to working with you on this project and others in the near future. United, we can help Kern, Inyo, Mono, northern San Bernardino, and Indian Wells Valley rise.
